TARIFF PROGRAMME

9 firms in green power scheme

Under the Green Electricity Tariff programme, consumers in Peninsular Malaysia can opt for renewable energy sources generated from hydropower and solar plants.

KUALA LUMPUR: Nine leading companies have stated their commitment to obtain 31 per cent of electricity supply from renewable energy (RE) resources through the Green Electricity Tariff (GET) programme launched by the Energy and Natural Resources Ministry.

The ministry said in a statement the nine were CIMB Bank Bhd, Dutch Lady Milk Industries Bhd, Nestle (M) Bhd, Tenaga Nasional Bhd, Gamuda Bhd, HSBC Amanah Malaysia Bhd, MCIS Insurance Bhd, Opensys Malaysia Bhd and Zurich General Insurance Malaysia Bhd.

Under the GET programme which will begin on Jan 1, domestic and industrial electricity consumers in Peninsular Malaysia can opt for RE sources generated from hydropower and solar plants. **Bernama**
