FOREST PROTECTION PAYOUT BEING CALCULATED

SUNGAI SIPUT: The state government is in the process of calculating the total compensation to be paid by the federal government for maintaining forest reserves and protecting them against illegal logging activities. Mentri Besar Datuk Seri Saarani Mohamad said the estimation and negotiation would be handled properly to achieve a win-win situation while taking into consideration the federal government's current financial position. "If Kedah were to ask for RM100 million, Perak's demand would be higher, but we will not make an unreasonable demand." – Bernama
