Probe into alleged tiger sighting along highway

IPOH: The Perak Department of Wildlife and National Parks (Perhilitan) is investigating a claim that a tiger was roaming in bushes along Jalan Simpang Pulai-Cameron Highlands near here.

Director Yusof Shariff yesterday said the department had sent its tiger unit to the location for further action.

"Investigations are being carried out after we discovered the viral video (on the sighting) at 10pm last night (Friday night)."

The 17-second TikTok video showed a tiger walking through bushes along the road in the hilly area.

The person who posted the video claimed that the sighting was made after Cafe Banjaran, a rest and relaxation area on the mountain highway, and asked people to be careful. **Bernama**
