TNB's Merdeka incentive for commercial users

KUALA LUMPUR: Tenaga Nasional Bhd (TNB) is offering a special incentive to encourage commercial customers to light up their buildings and surrounding areas with decorative lighting in conjunction with this year's 64th Merdeka Day. The Sinaran Merdeka incentive, which has been given out since 2000, is offered to all customers under the commercial tariffs (B, C1, and C2 tariffs), who have been in operation for at least one year (before Aug 1, 2020), for the two-month period of August and September this year. "This includes skyscrapers, office buildings, commercial complexes, shopping complexes, hotels and petrol stations," TNB said. This special incentive will be reflected in the October bill, denoted as "Carnival Discount". This promotion will run from Aug 1 until Sept 15. **Bernama**
